VALLEY VETERANS

November 11, 2019, marks the 101st anniversary of the armistice of World War I.

The first Armistice Day/Veterans Day was observed November 11, 1919, one year after the end of World War I. In 1926 the U.S. Congress passed a resolution making November 11 an annual day of observance and then in 1938 it became a national holiday.
